Organizing your Bookmarks into folders
This is assuming that you have previously created Bookmarks for:

www.ebay.com
www.QVC.com
www.Amazon.com

(1) Tap **Bookmarks**
(2) Find bottom right corner of Bookmark dialogue box—**Edit** and tap it
(3) Find on the bottom left of the dialogue box **New Folder** and tap it
(4) Enter the name **Online Shopping** in the title box and hit enter
(5) You should now see the **Online Shopping** Folder—notice that it looks like a folder
(6) Notice location
(7) Tap **DONE**
(8) Tap **Bookmarks** and tap **Edit**
(9) Notice what appears
   (a) - delete the bookmark
   (b) Three horizontal lines on right—this is for moving the bookmark
(10) Tap Amazon.com and a dialogue box appears with Location identified as Favorites

(12) Tap **Location** and find the folder **Online Shopping** and select it and tap **DONE**
(13) Repeat this for www.ebay.com and for www.QVC.com
(14) Now tap **Bookmarks** and **Online Shopping** folder and you should now find the 3 websites
